REPORT ON MILLET MELA – EAT RIGHT CHALLENGE PHASE III

Kalpetta Taluk, Wayanad District, Kerala

• Millet Mela 1

Food Safety Department, Wayanad along with Integrated Child Development Services organized "Millet Mela" on 19.09.2023 at Kalpetta Gramathumvayal Convention Centre to raise awareness among Anganwadi Teachers, lactating mothers, progressive farm women, about the health and nutritional benefits of millets as part of the yearlong celebration of the International Year of Millet 2023. Child Development Project Officer Sainaba welcomed the dignitaries and participants of the programme and discussed the theme of the 'Millet Mela'. Honble Municipal Chairman Keyamthodi Mubeeb, Kalpetta Municipal Council, on his inaugural address, emphasized the value of millets as a crop that is resistant to climate change, has a low water footprint, and can help fight diseases like diabetes. Nutritional Expert Shakkira Sumayya discussed the significance of millets for their nutritional value and highlighted a variety of millet farming approaches during the seminar session. Around 15 Teams participated in the Millet based recipe competition and Food Festival Exhibition. An array of millets-based food dishes, ie millet porridge, millet ladu, millet chapati, millet cake, millet kheer, millet pop-corn, etc and snacks have been prepared and displayed by the teams at the food festival. The event has garnered a lot of attention of the local folk. Winners have been chosen by a panel of judges and three teams were chosen as the winner and 1st and 2nd runner-up of the millets-based food festival. Winners were awarded with certificate and cash prize. The event was attended by more than 300 people.
