**Order No.CFS/565/2024-B1 dated.09-05-2024**

It has come to the notice of the Commissioner of Food Safety that artificially coloured cotton candy samples found to contain Rhodamine B, a harmful chemical dye. Consumption of Rhodamine B can pose health risk.

A food containing Rhodamine B , a potential hazard to public health and it is highly necessary to prevent the same from entering market .

Section 18(1)(a) of Food Safety and Standards Act 2006 stipulate that the Central Government, the State Governments, the Food Authority and other agencies, as the case may be, while implementing the provisions of this Act shall be guided by the following principles namely.

***“endeavour to achieve an appropriate level of protection of human life and health and the protection of consumer’s interests, including fair practices in all kinds of food trade with reference to food safety standards and practices;***

**Section 18(1)(f)** of Food Safety and Standards Act 2006 stipulate that ***“in cases where there are reasonable grounds to suspect that a food may present a risk for human health, then, depending on the nature, seriousness and extent of that risk, the Food Authority and the Commissioner of Food Safety shall take appropriate steps to inform the general public of the nature of the risk to health, identifying to the fullest extent possible the food or type of food, the risk that it may present, and the measures which are taken or about to be taken to prevent, reduce or eliminate that risk”***

**Section 27 (1)** of Food Safety and Standards Act 2006 stipulates that ***“the manufacturer or packer of an article of food shall be liable for such article of food if it does not meet the requirements of this Act and the rules and regulations made thereunder”***.

*The Commissioner of Food Safety has been entrusted and has been called to perform such function under Section 30(2)(d). To ensure an efficient and uniform implementation of the standards and other requirements as specified and also ensure a high standard of objectivity,*

/206024/2024

*accountability, practicability, transparency and credibility,*

Section 29(3) of the Food Safety and Standards Act 2006 stipulates that,

*The authorities shall maintain a system of control and other activities as appropriate to the circumstances, including public communication on food safety and risk, food safety surveillance and other monitoring activities covering all stages of food business.*

Section 30(2)(a) of the FSS Act 2006 stipulates that,

*The Commissioner of Food Safety shall perform all or any of the following functions, namely:-*

*prohibit in the interest of public health, the manufacture, storage, distribution or sale of any article of food, either in the whole of the State or any area or part thereof for such period, not exceeding one year, as may be specified in the order notified in this behalf in the Official Gazette;*

Under these circumstances the production, storage and sale of **Artificially coloured Cotton candy** is prohibited with immediate effect under Section 30(2)(a) of Food Safety and Standards Act 2006 within the state of Kerala .
