Note: 1. The test report relates to the received sample only and not for the Whole Batch No./Lot No.

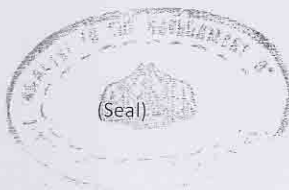

Opinion***: The said sample does not conform to the standards prescribed for processed cereal based complementary food falling under Regulation 2.1.9:4 of Food Safety and Standards (Food Products Standards and Food Additives) Regulations, 2011 and is therefore sub-standard.

I am further of the opinion that the said sample contravenes Regulation 2.3.14:4 of Food Safety and Standards (Prohibition and Restrictions on sales) Regulations, 2011 and is therefore misbranded as per section 3(1)(zf)(C)(i) of Food Safety and Standards Act 2006.
