Note: 1. The test report relates to the received sample only.

Opinion\*\*\*: The said sample contains added synthetic food colour Viz. Tartrazine CI 19140 and is therefore unsafe as per section 3.1(zz)(vii)&(viii) of Food Safety and Standards Act 2006 and also substandard as per Regulation 2.4.5:11 of Food Safety and Standards (Food Products Standards & Food Additives) Regulation 2011. I am further of opinion that the said sample is not labelled in accordance with Regulation 2.2.2:4 of Food Safety & Standards (packaging & labeling) Regulations 2011. Hence it is also misbranded as per section 3.1.(zf) (c) (i) of Food Safety and Standards Act 2006.
